

Name of Student:

Names of Assessors:

Date: Wed / Thur

**GRADE:**

**Performance on the Lab Experiments**

---

**1. Logbook Quality and Effectiveness**

Highly effective	Effective	OK	Weak	Poor
------------------	-----------	----	------	------

**2. Ability to answer questions from the logbook**

Excellent	Good	OK	Poor	Very poor
-----------	------	----	------	-----------

**3. Effort to completing Lab 1 to 4**

Fully engaged Strong evidence	Good engagement Good evidence	Acceptable Engagement	Below expected Engagement	V. poor Engagement
----------------------------------	----------------------------------	--------------------------	------------------------------	-----------------------

**Understanding and Learning Outcomes**

---

**5. Understanding of experimental setup (i.e. Pybench, Matlab etc.)**

Excellent	Good	OK	Poor	Very poor
-----------	------	----	------	-----------

**5. Explanation on theories behind experiments**

Excellent	Good	OK	Poor	Very poor
-----------	------	----	------	-----------

**6. Examiner's opinion on candidate's depth of understanding in general**

Broad & deep	Good	Average	Less than average	Poor
--------------	------	---------	-------------------	------

**FEEDBACK TO STUDENT:**

---
