You can download the code of lecture 5 from my course work page:

http://www.ee.ic.ac.uk/pcheung/teaching/ee2_software_engineering/

- Modify this program so that the list of numbers is printed in the same order as the numbers are created. Note that if you make `DEBUG=TRUE`, it will print the numbers as they are inserted in the list. This allows you to check that your new version of `printAll()` is printing in the correct order.
